Re: RSR Corporation Superfund Site, Dallas, Texas  
De Minimis Settlement Final - Notice of Effective Date

Dear Sir:

On September 17, 2001, the thirty-day comment period on the proposed settlement for the above settlement ended. During that period, the U. S. Environmental Protection Agency (EPA) did not receive any adverse comments on the proposed settlement, which EPA had previously approved. On April 29, 2002, EPA received approval of the settlement from the Department of Justice (DOJ). Therefore, under Section XIX of the "Administrative Order on Consent" (Consent Order) docket number 06-05-01, the settlement is final and the date of this letter is the effective date for the Consent Order. A copy of the final filed Consent Order is enclosed.

The Consent Order requires that the named Settling Parties submit payments to both EPA and the State of Texas, as described more fully in Section VII, "Payment to the United States," and in Section IX, "Payment to the State of Texas" of the Consent Order. Payment of the amount provided is due within thirty (30) days of your receipt of this Notice of Effective Date.

If EPA does not receive payment within thirty (30) days of the due date, interest will accrue on the amount due from the due date at the current annual rate prescribed and published by the Secretary of the Treasury in the Treasury Fiscal Requirements Manual Bulletin per annum through the date of payment. Interest will be compounded annually at a new rate on October 1<sup>st</sup> of every year. Other penalties for failure to make a timely payment may also apply.

Following the procedures in the Consent Order will ensure that the settlement amount will be properly attributed to Settling Parties. EPA appreciates your cooperation and willingness to settle. If you have any questions, you may contact Barbara Aldridge, Enforcement Officer, at (214) 665-2712, or me at (214) 665-2143.

Sincerely yours,

Michael C. Barra
